

**KELLENBERG BASKETBALL SUMMER CAMP
2nd SESSION**

Due to the high demand for the KMHS basketball summer camp, we are offering a 2nd session to all players (**including those attending the 1st session**) entering 6,7,8, or 9th grade. This two hour instruction will train players mentally and physically. We will push each player to go beyond their comfort zones to be the best they can be. We will improve player's techniques and skills in many different areas such as: shooting, ball handling, passing, defense, etc. This camp will show each player the definition of hard work. This week of instruction and skill work will give players the ability to carry their hard work they learn on the court to their everyday life outside of basketball. Come better yourself!
