School Information

Kellenberg Memorial High School

Kellenberg Memorial High School is a Catholic High School in the Marianist tradition in which we seek to educate the whole student, the Heart, the Mind, and the Body. Kellenberg offers a focused, four-year curriculum, which includes annual study in the six major academic areas. Kellenberg Memorial offers 75 extracurricular activities and over 80 athletic squads.

Brother Joseph C. Fox Latin School

The Brother Joseph C. Fox Latin School is the Middle School Division of Kellenberg Memorial High School. The Latin School seeks to provide the middle school student with a qualitative Catholic Education in the Marianist Tradition. Latin School students may participate in the many activities and athletic programs offered exclusively to the middle school students. The Latin School also strives to develop the religious awareness of the students. The Latin School is open to young men and women entering the sixth, seventh, and eighth grades.

Athletic Facilities

Matthew Field – A full size synthetic turf field surrounded by an all-weather rubberized track. This is our main game field with bleachers and remote control scoreboard. Girls and boys soccer and lacrosse games are played here as well as, Latin School, Freshman and Junior Varsity Football games.

Mark Field – Across from Matthew field is Mark field. Mark field is used for Latin School, Freshman, and Junior Varsity games.

Luke Field – Kellenberg's very own softball field where the Latin School, Junior Varsity and Varsity Softball teams practice and play.

John Field – Located directly in back of the school: It is used as a practice field for our athletic teams.

Jericho and Jerusalem – Two additional fields to the east and west of Kellenberg Memorial. Jericho is a full sized baseball field used for our freshman and Latin School baseball teams. Jerusalem is able to accommodate two full size practice fields as well as be a site for Latin School games.

St. Sebastian Hall – The school's fitness facility that is open to all students and sports teams. There is also a practice area in St. Sebastian for our Cheerleading Program.

Gymnasium – Our air-conditioned gymnasium has a 1600 person capacity and features 14 basketball hoops and two regulation volleyball courts. The gym floor along with the bleachers was renovated in the summer of 2007.

St. Charles Field – Located on the corner of Hempstead Turnpike and Glenn Curtiss Blvd., St. Charles Fields are used by all levels of Girls/Boys Soccer and Lacrosse. The fields also feature a Shotput/Discus circle for track teams.
