

Academic ADVANTAGES

Kellenberg Memorial High School offers a serious, four-year curriculum that thoroughly prepares students for college. The many academic advantages at Kellenberg are:

- 4 Years of Religion**
(Scripture, Church History, Christian Morality, Christian Existence)
- 4 Years of English**
(Grammar, Writing, Vocabulary, Public Speaking, and Literature)
- 4 Years of History**
(World History, European History, two years of American History)
- 4 Years of Mathematics**
(Algebra I, Geometry, Algebra II & Trigonometry, Pre-Calculus or Intro to Calculus)
- 4 Years of Science**
(Earth Science, Biology, Chemistry, Physics)
- 4 Years of World Language**
(Choice of French, Latin, or Spanish)
- 4 Years of Physical Education and Enrichment**
(Art, Tae Kwon Do, Horizons & Technology, SAT Preparation, Music, Health, Art Portfolio Preparation, Advanced Computer Applications, Digital Media, Computer Science, Music Theory)

Kellenberg Memorial High School offers a time-tested curriculum to students with varying educational needs. Students in the Honors Program take four years of a World Language. Students in the Academic I Program study a World Language for three years and take a course in College Writing during the fourth year. Students in the Academic II Program take four years of English Composition in place of a World Language class. Academic II students also study American Sign Language as a World Language in the Junior and Senior years. Additionally, students may have the option to gain college credit in College Writing, American History II, Intro to Calculus, English Literature, English Composition, Art Portfolio Preparation, Senior Religion, Latin, French, Spanish, and American Sign Language. Furthermore, Kellenberg Memorial offers a robust Science and Mathematics curriculum. Students who validate may be accelerated in both of these disciplines. Students advanced in Science may have the opportunity to study Environmental Science, Health Science or Advanced Biology. Based on projected college course of study and historical academic performance, Seniors may have the opportunity to study Introduction to Calculus, Statistics, Pre-Calculus, or Statistics & Trigonometry.

STATISTICAL DATA – CLASS OF 2018

A BEAUTIFUL PLACE TO GROW

Faith EXPRESSION

Faith is a primary aspect of the Kellenberg Memorial School Community.

In addition to the academic and extracurricular programs at Kellenberg Memorial, students also share in a faith experience within the context of a Catholic school community. All activities, both inside and outside of the classroom, are carried out in the spirit of the Gospel of Jesus Christ. Through the spiritual dimension of their education students grow into mature, Christian men and women. Retreat Programs are held in Emmanuel Retreat House on campus and at Founder's Hollow, a Marianist Retreat Facility in upstate New York. The following programs contribute to the faith dimension of Kellenberg Memorial High School:

- *Retreat Staff*
- *Community Service*
- *Daily Morning Mass*
 - *Sodality*
- *St. Cecilia's Recording Club*
 - *Sacristans*
- *Gregorian Consortium*
- *Morning Prayer Video*
 - *Marianist Mentors*
- *P.R.E.P. (Parish Religious Education Program)*
 - *School Chapel*
- *Divisional Prayer Services*
 - *Catholic League*
 - *Jubilee Choir*
 - *C.R.O.S.S. Divisions*
 - *Eucharistic Ministers*
 - *Ushers*
 - *XLT Music Ministry*

As students reach their junior and senior years, many opportunities arise to assume leadership roles within the school community. Members of the faculty guide and develop leadership skills that will last a lifetime.

Admissions & GENERAL INFORMATION

In addition to the high school program, Kellenberg Memorial also has a middle school division for sixth, seventh, and eighth grade students. For more information on the Brother Joseph C. Fox Latin School, contact the Latin School Office.

In order to be considered for admission to the Freshman class, the student must successfully complete the eighth grade by passing all classes and presenting adequate academic credentials. The usual means of application begins with the Catholic High School Entrance Examination. Each applicant must sit for this exam on Saturday, October 27, 2018. An application for this test and other details on this program are available at all Catholic grade schools, Religious Education Centers, through the Kellenberg Memorial Admissions Office 516-292-0200, ext. 210 or at www.CHSEE.org.

Transfer students are not accepted for the Sophomore, Junior and Senior years of high school. The final judgment for admission is reserved to the sole discretion of the Principal.

KMHS does not discriminate on the basis of race, color, sex, or national or ethnic origin in its educational, admissions, or financial policies, activities, athletics, or school administered programs.

KMHS, a Roman Catholic coeducational school, was founded to serve the Catholics of Long Island. Priority of admission is given to baptized Roman Catholic students.

Tuition for the 2018-2019 school year is \$10,475. This amount may be paid in full, in two installments, or over a ten month period. If tuition is paid in full by August 7, 2018 the family receives a \$150 discount. Parents are required to enroll in an automatic direct debit program. The two-payment option asks for one-half of the tuition on August 7th and the second half on January 7th. There is a \$350 non-refundable registration fee once a student has been accepted. There are no scholarships or other forms of student financial aid at the school. For further information about admissions, please contact the Admissions Office at 516-292-0200, ext. 210.

iPADS

Kellenberg Memorial continues to feature a time-tested Marianist education while introducing cutting edge technology. Our students are engaging the iPad as the primary source of textbooks, notebooks, and workbooks, as well as utilizing the device as a means of sharing work collaboratively in class and with their teachers. Harnessing the vast power of this digital resource, the students are meeting the traditional demands of a Catholic education with almost limitless resources. A \$200 annual payment enables a "lease to own" program so that the student graduates with the device that encapsulates his/her entire high school education.
